CONSENT ORDER

This matter was opened to the New Jersey State Board of Pharmacy by receipt of respondent's request for reinstatement. Respondent entered into a consent Order with the Board of Pharmacy in November of 2001 whereby he agreed to the voluntary surrender of his pharmacy license for one (1) year at which time he could apply for reinstatement provided that at the completion of the one (1) year he would produce a detailed psychological evaluation indicating that he had been receiving therapy and now was competent to return to pharmacy.

Respondent, having violated the original Order by not obtaining psychotherapy, and it appearing that respondent is now under the care of a psychiatrist, and respondent having satisfied the Board of his intention to continue to participate weekly in psychotherapy and it further appearing that respondent wishes to resolve this matter without the necessity of further formal proceedings, and for good cause shown,

ACCORDINGLY, IT IS ON THIS 28<sup>th</sup> DAY OF April, 2003,  
ORDERED:

1. The license of Emad Mohamed, R.P. to practice pharmacy in the State of New Jersey is hereby reinstated and placed on probationary status for one (1) year.

2. During the probationary period, respondent hereby consents to the entry of an Order of Automatic Suspension of his license without notice upon the Board's receipt of any reliable information that he has ceased weekly participation in psychotherapy by a Board approved psychologist or psychiatrist.

3. Respondent shall have the right to apply for removal or the automatic suspension on two (2) days notice but the hearing in such event shall be limited to a showing that the information submitted was false.

4. Respondent shall give written notice to the Board prior to beginning or changing any employment during the probationary period.

5. Respondent shall provide a copy of this Order to the treating psychotherapists and shall ensure that the treating therapist provides four (4) quarterly reports to the Board as to respondent's progress.

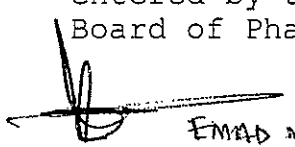

6. Any change in respondent's therapy schedule or termination of therapy shall be pre-approved by the Board upon application of respondent.
